## FULL AQUARIUM RENTAL

### LOWER LEVEL

**AQUA LOBBY** Dine under nine sparkling globe-shaped aquariums suspended from the ceiling. Each one of the “rain drops” houses a bright and beautiful array of schooling fish, flitting about just out of reach.

**OCEAN ART** Enjoy libations and small bites while gazing at painted anthias, tropical fish, and seahorses in this “art gallery.”

**REEF JEWELS** Party with reef inhabitants such as the clownfish, banded butterfly fish, and the magnificent sea anemone.

**DEEP OCEAN 3D VIEWING THEATER** Dine under the sea with an expansive view into a 200,000 gallon habitat featuring sharks, rays, and sea turtles.

**BIZARRE & BEAUTIFUL** Marvel at some of nature's most unusual creations in the Bizarre & Beautiful gallery. Guests can enjoy the fascinating flashlight fish, the king crab, and the giant Pacific octopus.

### UPPER LEVEL

**LIGHTHOUSE CAFE & PENGUIN POINT** Blu Culinary Creation's nautical themed restaurant is the perfect backdrop for your event. Impress your guests with our African black-footed penguins and get to know these charismatic animals.

**RIVERS OF THE WORLD & OTTER BANKS** Introduce your guests to the resident Asian small-clawed otters and also enjoy creatures from the fascinating to the fearsome including piranhas and behemoth alligator gars in the Rivers of the World!

# ENHANCE YOUR EXPERIENCE

## Education Programs

Give the souvenir of knowledge! From guided tours to hands-on experiences, our education programs are available for all events.

## 3D Theater Experience

A state-of-the-art 3D movie experience features species such as the humpback whale and the whale shark. Be prepared for a special surprise at the end of the show!

## SeaTREK® Underwater Experience

Put on your OdySea wetsuit and SeaTREK® helmet and get ready to dive in! Our certified divers will take you deep into one of our largest exhibits where you'll be surrounded by thousands of colorful and curious sea creatures.

## Animal Encounters

Invite a penguin, bird, reptile, sloth, or otter to mingle with your guests! An animal care specialist will accompany the animal and provide a hands-on learning experience for your event.

## Tide Touch Pool

Our Tide Touch Pool is a thrilling and interactive way to experience marine life up close. At 37 feet long and holding more than 2,000 gallons of water, this may possibly be the largest hands-on aquarium you have ever encountered.
