Other information: Did you know the International Union for the Conservation of Nature (IUCN) is the global authority on the status of the natural world and the animals within it. They have created something called a **RED LIST** that identifies species that are threatened and endangered and need our help. Ask a parent or friend to help you go to this link, type your animal species in the search bar to identify its IUCN status. <https://www.iucnredlist.org/> Once you find your animal, answer the questions below about the animal that inspired your artwork.
