

SAVE & SUPPORT NOW. Select a Date Later.

We realize that it is typical to book and fund field trips in the same school year. We also understand how important budgets are every year. What if we can help you and help our animals at the same time?

Let's Ride the Tide Together!

**SAVE NOW
UP TO 60% OFF**

Acting Now Really Makes a Difference

OdySea Aquarium relies almost entirely on ticket sales to maintain its animal care and operations. With over 7,000 animals and 2 million gallons of water, our amazing animal care team is still hard at work ensuring the animals get the care and food they need.

Purchasing 20 tickets now to visit at a later date can provide:

- Fish to feed 5 sea lions for 3 days.
- Salt to make 2,700 gallons of salt water. We make up to 20,000 gallons of salt water each day.
- Produce to feed our 7 non-releasable endangered sea turtles for 30 days.
- 300' of PVC pipe for our Life support Team to continually maintain animal systems.

Order Now

Call or email today for these limited time savings! Whenever you are ready, you will have priority booking available for your school. "Save Now" tickets may be redeemed anytime for up to one year from the date we reopen.
