

SHARK JELL-O TREAT RECIPE

SHARK INFESTED WATERS

Materials

Clear plastic cups, Blue boxed gelatin, Whipped cream, Gummy sharks.

Directions

1. Mix gelatin according to package.
2. Fill cups slightly over half way with Jell-o and refrigerate.
3. Once gelatin is set, top it with whipped cream and gummy shark.
4. Your shark infested water is complete!

Note

Gummy sharks can be ordered online and come in one pound bags. The spray whipped cream works best.
