Why did you choose to participate in Conservation Crafts? (please circle one)

1) Educational value for my family 2) For the \$5 kids ticket 3) To create art 4) To help endangered animals

Fun Fact: The International Union for the Conservation of Nature (IUCN) is the global authority on the status of the natural world and the animals within it. They have created something called a **RED LIST** that identifies species that are threatened and endangered and need our help. Ask a parent or friend to help you go to this link, type your animal in the search bar to identify its IUCN status. <https://www.iucnredlist.org/> Once you find your animal, answer the questions about the animal that inspired your artwork.
